We ask that you consider all of the review comments when revising and resubmitting your article for publication.

Please submit the **FINAL** version of the article for publication **by no later than 12:00 p.m. Eastern on July 30, 2018**. This deadline has been established to help staff meet the publishing deadlines for the September 2018 issue.

****Please let me know immediately if you will be unable to meet this deadline.****

Note that all major revisions to the text should be made at this stage. Please visit <http://www.awma.org/emguidelines> to read *EM*'s author guidelines for questions regarding style, formatting, and so forth.

We strongly encourage authors to include graphics and other digital enhancements (e.g., audio, video, animations), where possible. Any accompanying figures/graphics/photos should be submitted **separately from the text** as either .eps, .jpeg, or .tiff files and should have a resolution of 600 dpi (minimum) at the size they are to be published in the magazine.

Please let me know if you have any questions. We look forward to receiving the article for publication in *EM*.

Sincerely,
Lisa Bucher
